FINISH LINE VISION®

## A MOTIVATIONAL SPEAKER WHO KNOWS THE LEGAL PROFESSION!

GET IT STRAIGHT FROM A LAWYER AND AN ELITE IRONMAN® TRIATHLETE who is the only person with Type 1 diabetes ever to qualify and compete for the U.S. National Triathlon Team. Jay Hewitt reveals how to convert obstacles and disappointments into better performance and an improved bottom line.

JAY'S compelling, energetic keynote, FINISH LINE VISION®— delivered with humor, honesty and relatable specifics — shows audiences how they, too, can overcome whatever life throws at them and reach unimaginable levels of success and teamwork.

Since 1993, Jay Hewitt has practiced law in Greenville, SC as a partner in both a large 200-lawyer corporate law firm and then starting his own small boutique firm specializing in business, sports and entertainment law. He has negotiated multimillion-dollar business agreements and handled all aspects of complex business litigation, product liability, settlements, trials and appeals. He has been

lead trial counsel for several Fortune 500 companies and argued appeals before the Supreme Court of South Carolina and the U.S. Court of Appeals. In over 20 years as an attorney, Jay has lived the challenges facing large corporations and small businesses while maintaining a healthy work-life balance.

*“Jay will have a long-term impact on any person who hears him. He will challenge, motivate and encourage you in a way most speakers can’t.”*

*“Jay’s presentations on finish line vision and work/life balance apply to law department management and motivates increased operational effectiveness. He is very credible, impactful and relatable due to his background as a law firm partner, business owner, and elite triathlete while leading a healthy balanced lifestyle. He understands the competing demands of legal and corporate operations on busy executives, support personnel and professional advisors. I recommend him without reservation as reflected by the excellent marks earned from our attendees!”*
