JAY HEWITT
FINISH LINE VISION®

A Motivational Speaker Who Knows the Banking & Financial Services Industry!

THE DYNAMICS OF THE BANKING AND FINANCIAL SERVICES INDUSTRY ARE CHANGING WITH CONSOLIDATION, INCREASED REGULATION AND COMPLIANCE—not to mention the changing workforce. Mobile technology is changing as well, and so is your competition. To stay ahead of the curve as you continue to grow both internally and externally, capture more market share and retain top banking leaders/talent, you need to be willing to adapt, to reinvent yourself—or perhaps even your business model—or you will be left behind.

“Jay was amazing. He captured the mortgage lending piece well in his presentation. I watched the body language of the audience, and he took ownership of their every thought. The obstacle may be a blessing. It becomes your incentive to discover your finish line. He conveyed that with absolute clarity. What a great takeaway!” — RHONDA MARCUM, EXECUTIVE DIRECTOR, MORTGAGE BANKERS ASSOCIATION OF THE CAROLINAS

“‘A great story’...‘A wonderful speaker!’...‘Truly inspirational!’...‘An unqualified success!’...‘Perfect fit with the theme of our sales meeting!’... ‘I’m going to take what I learned back home, as a sales executive and a father.’ These are just a few of the comments we had after your keynote address at our annual Sales Excellence and Business Meeting. Everyone was energized by your story and able to take something away that will help them be a better, more focused associate for Security Benefit. I came away feeling as though any obstacles in my way can be overcome and opportunities are there for the taking. On behalf of the leadership and sales team at Security Benefit, it was a pleasure to have you speak to our team and give them a unique perspective on endurance, perseverance and discipline.” — KURT AULETA, VICE PRESIDENT, SALES OPERATIONS, SECURITY BENEFIT, INC. - WEALTH MANAGEMENT AND RETIREMENT SERVICES
